

1. Introduction

Applications can be printed (or saved) without (follow step 1 **A-C**) or with attachments (follow step 2 **D-I**) by an Applicant. For these instructions we have used Internet Explorer browser, if you are using another browser, please see page 2 for variations.

NB When printing (or saving) an application, only the form itself will appear in the printed (or saved) version. Any comments made against sections within the form will not be displayed

2. Printing an application without attachments

Log into Infonetica Ethics RM

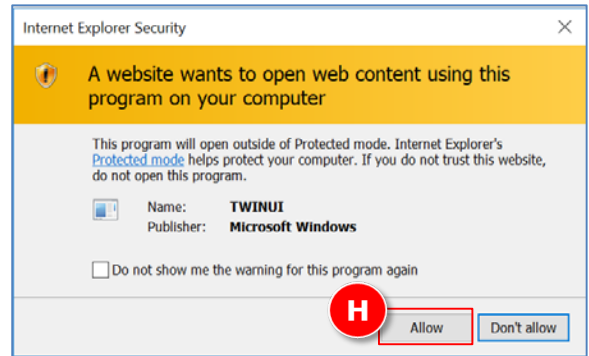

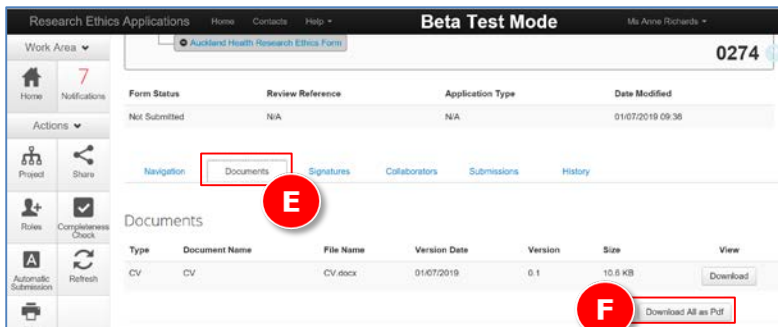

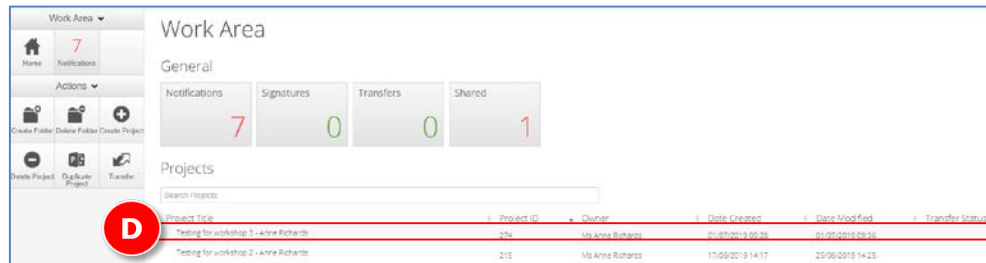

- A. Click on the application that you want to print from your list of projects
- B. Click on the **Print**
- C. Click on the printer icon to print or the disc icon to save

3. Printing an application with attachments

Log into Infonetica Ethics RM

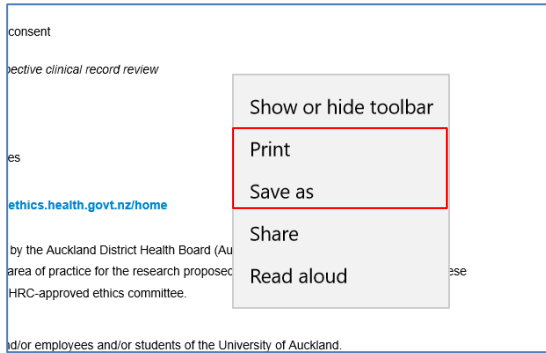

- D. Click on the application that you want to print in your list of projects
