8. If at any time by reason of a fall in the number of students taking Greek or for any other reason the Prize in the opinion of the University of Auckland Council ceases to fulfil its purpose, the University of Auckland Council may transfer the Prize to Latin or English or such other subjects as the University of Auckland Council may determine. The University of Auckland Council may at any time hereafter transfer the Prize back to Greek.
9. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.

The Prize was established in 1949 by the family and friends of the late Lt. Col John Mulgan, for the encouragement of the study of Greek. Greek was chosen partly because Lt. Col Mulgan was particularly interested in it during his university career and partly because Greece was the scene of his brilliant and gallant war service.
