REGULATIONS:
1. There will be one Prize known as the IRHACE Undergraduate Prize.
2. The Prize will be a certificate and a book token, currently of $100 but determined from time to time by IRHACE Council, and one year’s free membership to IRHACE.
3. The Prize will be presented annually to the undergraduate student from the Department of Mechanical Engineering or the School of Architecture who offers an investigation report or design which best demonstrates competence in refrigeration, heating and air conditioning and ventilation.
4. Nominations for the Prize shall be made annually to the Secretary of the Research and Technical Committee of IRHACE by the Faculties Examinations Committee.
5. The Prize will be presented by the Council of IRHACE after consideration of the recommendations.
6. The Council of IRHACE will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
7. In the event of a tie, the Head of the School of Architecture and Planning and the Head of the Department of Mechanical Engineering shall determine, in consultation with the Council of IRHACE if the Prize may be shared.
8. The University of Auckland Council has the power to amend or vary these regulations, in consultation with the Council of IRHACE, provided that there is no departure from the main purpose of the Prize.
