REGULATIONS:
1. The Prize will be known as the Ken McIntosh Timberlam Prize.
2. The value of the Prize will be $500 and will be accompanied by a certificate.
3. The Prize will be awarded annually to the full-time student achieving the highest overall mark in CIVIL 750.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Civil and Environmental Engineering.
5. In the event of a tie, the Head of the Department of Civil and Environmental Engineering shall determine, in consultation with Ken McIntosh if the Prize may be shared.
6. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.

The Ken McIntosh Timberlam Prize was established in 2006 by Ken McIntosh and is awarded annually.

The main purpose of the Prize is to recognise excellence in the field of timber engineering.
