REGULATIONS:

1. The Prize shall be known as the Nigel Christianson Memorial Prize.
2. The value of the Prize will be $1,000.
3. The Prize shall be awarded annually for meritorious project work in the design courses in electrical and electronic, computer systems and/or software engineering programmes in Part III of the Bachelor of Engineering (Honours) programme.
4. The Prize shall be awarded by the University of Auckland Council on the recommendation of the Dean of the Faculty of Engineering (after consultation with the Head of the Department of Electrical and Computer Engineering and a representative of the Christianson family).
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Electrical and Computer Engineering shall determine, in consultation with a representative of the Christianson family if the Prize may be shared.
7. The University of Auckland shall have power to vary or amend these regulations, in consultation with the family of Nigel Christianson, provided there is no departure from the main purpose of the prize.

The Prize was established in 2006 by the wife and family of Nigel Christianson together with contributions from friends and colleagues. Nigel Christianson graduated from the Department of Electrical Engineering in 1975.
