REGULATIONS:
1. The Prize will be known as the Leukaemia and Blood Cancer Prize.
2. The value of the Prize will be $300.
3. The Prize will be awarded annually to the student achieving the highest marks in the Blood, Immunity and Infection module of the MBChB 321 course.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Molecular Medicine.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Molecular Medicine will determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.

The Prize was established in 1991 by the Leukaemia and Blood Foundation. This was renamed the Leukaemia and Blood Cancer Prize in 2015.
