Auckland University Engineers Association Scholarships

Code: 559  
Faculty: Engineering  
Applicable study: Part III BE(Hons)  
Closing date: 31 March  
Tenure: 1 year  
For: Contribution to compulsory fees  
Number on offer: Up to 5 (depending on availability of funds)  
Offer rate: Annually  
Value: Up to $5,000

Scholarship description

The Scholarships were established in 2008 and are funded by the Auckland University Engineers Association Charitable Trust (AUEACT). The main purpose of the Scholarships is to assist and encourage students undertaking a BE(Hons) degree.

Selection process

- Application is made to the Scholarships Office  
- A Selection Committee assesses the applications  
- Short-listed candidates will be required to attend an interview  
- The Scholarships are awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarships will be known as the Auckland University Engineers Association Scholarships.  
2. Up to five Scholarships will be awarded annually, depending on availability of funds, each for a period of one year, and will be of the value of up to $5,000 per annum as a compulsory fees credit.  
3. The Scholarships will be awarded to candidates who have paid the fees, or arranged to pay the fees, for full-time enrolment in Part III of a BE (Hons) degree. Applicants must be citizens or permanent residents of New Zealand.  
4. The basis of selection will be academic achievement, commitment to professional engineering, community and/or sporting involvement and teamwork. Financial need is also an important factor.  
5. The Scholarships shall be awarded by the University of Auckland Council upon the recommendation of a Selection Committee comprising a representative of the AUEA Committee, the Dean of the Faculty of Engineering (or nominee) and an academic from the Faculty of Engineering chosen by the Dean of Engineering.  
6. The Scholarship will be paid as tuition fees/compulsory fees credit in the second semester.  
7. The Scholarship may be terminated by the University of Auckland Council, in consultation with the AUEA Board, on receipt of adverse report from the Dean of the Faculty of Engineering.  
8. The Selection Committee may refrain from recommending a Scholarship if in any particular year there is no
9. The University of Auckland has the power to amend or vary these Regulations, in consultation with AUEA Board, provided that there is no departure from the main purpose of the Scholarship.

10. Applications close with the Scholarships Office on 31 March in the year of the award. Interviews will take place before the end of July each year.

11. Notes [i]-[iv] below are deemed to be regulations.

Notes

I. In making a recommendation for this Scholarship the selection committee shall take into account other scholarships, bursaries and awards held by the candidates, with a view of achieving a fair distribution of monies to qualifying candidates.

II. Two further members of AUEA may be invited to attend the interviews, but the selection committee (as outlined in regulation 6) will make recommendation to the University of Auckland Council.

III. In a situation where a student is unable to utilise the Scholarship for tuition fees only they may use the money for course related materials. In order to make a claim the student will be required to present the original receipts to the Scholarships Office.

IV. Awardees are required to submit a written report to the AUEA, approximately 6 months after notification of the award. The brief report shall update AUEA as to the particular engineering career path the awardee is undertaking and the benefit the awardee has gained from the award.
