**Scholarship description**

The Bill Miller Engineering Scholarships were established in 2011. These Scholarships are funded from an endowed gift by the Bill Miller Trust.

The main purpose of the Scholarships is to provide support for academically able students enrolling full time in the faculty of Engineering who have demonstrated need for financial assistance.

**Selection process**

- Application is made to the Scholarships Office  
- A Selection Committee assesses the applications  
- The Scholarships are awarded by the University of Auckland Council on the recommendation of the Selection Committee

**Regulations**

1. The Scholarships will be known as the Bill Miller Engineering Scholarships.  
2. Up to three Scholarships may be awarded annually, each for a period of one year, and will be of the value of up to $6,000. The exact number of scholarships on offer will be dependent on the availability of funding but will usually comprise one scholarship of $6,000; or two scholarships of $3,000 each; or three scholarships of $2,000 each.  
3. The Scholarships will be awarded to students who have paid fees, or arranged to pay the fees, for full-time enrolment in an undergraduate or a postgraduate programme within the Faculty of Engineering.  
4. The Scholarships are tenable by students who are citizens or permanent residents of New Zealand.  
5. The basis of selection will be demonstrated financial hardship, particularly where such hardship might result in the student not completing their Engineering studies, academic merit and the potential to achieve in the study of Engineering.  
6. The Scholarships will be awarded by the University of Auckland Council upon the recommendation of a Selection Committee comprising the Dean of the Faculty of Engineering (or nominee), the Associate Dean of Engineering (or nominee) and one representative from Alumni Relations and Development.  
7. The Scholarships will be paid as a tuition fees credit in one instalment in Semester Two.
8. The University of Auckland has the power to amend or vary these regulations in conjunction with the donor provided that there is no departure from the main purpose of the Scholarship.

9. Applications close with the Scholarships Office on 7 May in year of the award.
