Scholarship description

The Scholarships were established in 2009 and are funded by a retired University of Auckland staff member. The purpose of these Scholarships is to enable students who have obtained a degree in Theology from the University of Auckland or another approved theological institution to enrol in postgraduate study at the University of Auckland or an approved overseas theological institution, and thus accept opportunities which they might not otherwise be able to undertake.

Selection process

- Application is made to the Scholarships Office  
- A Selection Committee assesses the applications  
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarships will be known as the Foveran Scholarships.  
2. One or more Scholarships will be awarded annually, each for a period of one year, and each will provide a tax-free payment of up to $20,000, depending on the number of winners in any one year. Recipients may reapply for the Scholarship by the due date each year (see Note iii).  
3. To take up the Scholarship the recipient must enrol full or part-time in a Postgraduate Diploma or an Honours, Masters or PhD degree in the discipline of Theology and Religious Studies at the University of Auckland, or an equivalent postgraduate qualification at another recognised theological institution approved by the Head of Theology and Religious Studies. Payments to part-time students will be pro-rated.  
4. The Scholarships are tenable by students who are citizens or permanent residents of New Zealand.  
5. The basis of selection will be academic merit, financial need and the nature of the proposed postgraduate study.  
6. The Scholarships will be awarded by the University of Auckland Council upon the recommendation of a Selection Committee comprising the Dean of the Faculty of Arts (or nominee), the Head of Theology and Religious Studies (or nominee), and one other member of the academic staff.
7. The Scholarship will be paid in two instalments: one in the first, and one in the second semester.
8. The Scholarship may be concurrently held with any other award or grant as long as a) the terms of that award or grant permit and b) the University of Auckland Council is informed and approves.
9. A scholarship will automatically cease to be available to a student who, through withdrawal or failure to meet any programme requirements, is no longer pursuing or is no longer eligible to pursue the programme of study for which the Scholarship has been offered.
10. The University of Auckland Council, in consultation with the Donor, has the power to terminate or suspend a Scholarship if it receives an unsatisfactory report on the progress of a Scholar from the Head of Theology and Religious Studies.
11. The University of Auckland Council is not obliged to make an award if in any year there is no candidate of sufficient merit.
12. The University of Auckland has the power to amend or vary these Regulations, in consultation with the Donor, provided that there is no departure from the main purpose of the Scholarship.
13. Applications close with the Scholarships Office on 30 June in the year of the award.
14. Notes [i]-[vi] below are deemed to be regulations.
