Scholarship description

The Scholarship was established in 2004 and is financed by HEB Construction Ltd. (the Donor). The main purpose of the Scholarship is to assist and encourage students undertaking the Bachelor of Engineering (Honours) Degree majoring in Civil and Environmental Engineering. This will provide HEB Construction Ltd. with the opportunity to support the engineering profession by being involved in the education of future engineers and to create a personal link during the term of the scholarship between the Scholarship provider and the recipient to their mutual advantage.

Selection process

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- Short-listed candidates may be required to attend an interview
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarship will be known as the HEB Construction Scholarship.
2. One or more Scholarships will be awarded each year for a tenure of up to two years, and will be of the value of up to $4,000.
3. The Scholarship will be awarded to an undergraduate candidate who has paid the fees, or arranged to pay the fees, for full-time enrolment in the Department of Engineering undertaking Part III of a Bachelor of Engineering (Honours) in Civil and Environmental Courses.
4. The Scholarship is tenable by students who are New Zealand citizens or permanent residents of New Zealand.
5. Selection will be based on academic merit and contribution to the local community.
6. The Scholarship will be awarded by the University of Auckland Council on the recommendation of a Selection Committee comprising the Dean of the Faculty of Engineering (or nominee), the Head of the Department of Civil and Environmental Engineering (or nominee) and one additional member of academic staff of the Department (appointed by the Dean) or one representative of HEB Construction Ltd.
7. The Scholarship emolument will be paid in an annual lump sum with payment for Part IV study dependent on
confirmation from the Donor.

8. The University of Auckland Council on behalf of HEB Construction Ltd. has power to terminate or suspend a Scholarship, if it receives an unsatisfactory report on the progress of a recipient from the Head of the Department of Civil and Environmental Engineering.

9. The University of Auckland Council on behalf of HEB Construction Ltd. is not obliged to make an award if in any year there is no candidate of sufficient merit.

10. The University of Auckland may amend or vary these regulations (in consultation with the Donor) provided that there is no departure from the main purpose of the Scholarship.

11. Applications close with the Scholarships Office on 31 March in the year of the award.

12. Note [i] below is deemed to be a regulation.

Notes

1. Recipients of the HEB Construction Scholarship may have the opportunity of summer work experience and/or future employment within HEB Construction Ltd., dependent upon normal criteria being met.
