Jean Heywood Scholarship

Scholarship description

The Scholarship was established in 2006 by Jean Heywood, nee Miller, a past pupil of Epsom Girls' Grammar, who graduated with an MA in Mathematics from the University of New Zealand 1942. The main purpose of the Scholarship is to encourage and assist students from Epsom Girls' Grammar School to study Mathematics or Statistics.

Selection process

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarship will be known as the Jean Heywood Scholarship.
2. One Scholarship will be awarded annually to a candidate who has paid the fees, or arranged to pay the fees for full-time enrolment majoring in either Mathematics or Statistics.
3. The Scholarship has a tenure of up to three years and a value of $3,000 per year. As a condition of tenure, recipients will be required to attain at least a B- grade in each Mathematics and/or Statistics course.
4. The Scholarship is tenable by a student who has attended Epsom Girls' Grammar for at least 3 years. Preference will be given to students who were enrolled at the school immediately prior to the first year of tenure of the Scholarship.
5. The basis of selection will be academic merit and the potential to succeed in the study of Mathematics and/or Statistics.
6. The Scholarship will be awarded by the University of Auckland Council upon recommendation of a Selection Committee comprising the Vice-Chancellor (or nominee), the Principal of Epsom Girls' Grammar School and the Dean of Faculty of Science (or nominee).
7. The Scholarship may be concurrently held with any other award or grant as long as a) the terms of that award or
grant permit and b) the University of Auckland Council is informed and approves.

8. The Scholarship's emolument will be paid in two equal instalments: one in the first semester and one in the second semester.

9. The University of Auckland Council is not obliged to make an award if in any year there is no candidate of sufficient merit.

10. The University of Auckland Council (in consultation with the Donor) has the power to terminate or suspend a Scholarship if it receives an unsatisfactory report on the progress of a Scholar from the Head of Department of Mathematics or Statistics.

11. The University of Auckland has the power to amend or vary these Regulations (in consultation with the Donor) provided there is no departure from the main purpose of the Scholarship.

12. A Scholarship must normally be taken up in the year for which it is offered.

13. Applications close with the Scholarships Office on 10 September in the year preceding the award.
