Notes

I. For the purpose of assessing applicants for this Scholarship, academic achievement is assessed by the GPA obtained over the applicant’s study in the New Start Programme.

II. Financial need will be determined by a range of factors including previous or current eligibility for a StudyLink Student Allowance, and personal and financial circumstances.

III. Special circumstances may include personal or family circumstances the applicant deems relevant to their application.

IV. Failure to complete any semester of study will require the recipient to refund that semester’s payment to the Kate Edger Educational Charitable Trust. Recipients who are unable to complete their studies in any semester due to compelling circumstances must apply in writing to the Manager of the Scholarships Office for special consideration before the end of the examination period for that semester.
