Description

The School of Population Health Bachelor of Health Science (Honours) Prize was established in 2009 by the School of Population Health.

The main purpose of the Prize is to acknowledge the student in the School of Population Health who achieves the highest overall grade point average in the BHSc (Honours) programme.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Population Health

Regulations

1. The Prize will be known as the School of Population Health BHSc (Honours) Prize.
2. The value of the Prize will be $250. The Prize will be awarded annually to the full-time student enrolled in the School of Population Health who achieves the highest GPA in the BHSc (Honours) programme.
3. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Population Health.
4. In the event of a tie, the Head of the School of Population Health shall determine if the Prize may be shared.
5. The University of Auckland Council will not be bound to award the Prize in any given year if there is no candidate of sufficient merit.
6. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
