The New Zealand Society on Large Dams (NZSOLD) Prize

Description

The Prize was established in 2005 and is provided and funded by the New Zealand Society on Large Dams with the support of IPENZ (the Institute of Professional Engineers New Zealand) foundation, which will match the NZSOLD contribution.

The main purpose of the Prize is to reward the full-time student who achieved the highest mark in CIVIL 782, Water Resources Engineering.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Civil and Environmental Engineering

Regulations

1. The Prize will be known as The New Zealand Society on Large Dams (NZSOLD) Prize.
2. The value of the Prize will be $500, as well as a citation and an inscribed copy of the book Walls for Water by Bob Offer.
3. The Prize will be awarded annually to the full-time student achieving the highest mark in CIVIL 782, Water Resources Engineering.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Civil and Environmental Engineering.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Civil and Environmental Engineering will determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
