Notes

I. Academic merit will be based on results at Level 2 or higher in the National Certificate of Educational Achievement (NCEA) or an equivalent qualification.

II. Financial need will be determined by a range of factors including eligibility for a StudyLink Student Allowance, and personal and financial circumstances.

III. For the purpose of this scholarship, ‘first in family’ to attend university means the first member in their family, including parents and siblings, to enrol at a university. Adoptive and step parents and siblings are considered part of the nuclear family where they have lived with the applicant for the previous five or more years.

IV. For the purposes of this scholarship, the recipient’s grade point average (GPA) is based on all the courses they undertake in each year of study.

V. Payments under the terms of this scholarship remain tax-free as long as they are used directly for the payment of costs associated with an awardee’s programme of study. Failure to comply with this regulation will result in the termination of the scholarship.

VI. These regulations are subject to Senate and Council approval.
