Babbage Consultants Scholarship in Civil and Environmental Engineering

Description

The Scholarship was established in 2016 and is funded by Babbage Consultants.

The main purpose of the Scholarship is to encourage and support students undertaking a Bachelor of Engineering (Honours) majoring in Civil and Environmental Engineering at the University of Auckland, who intend to develop their career in structural, geotechnical, civil or environmental engineering.

Selection process

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarship will be known as the Babbage Consultants Scholarship in Civil and Environmental Engineering.
2. One Scholarship will be awarded annually, for a period of up to two years, and will be of the value of up to $4,000 per annum.
3. The Scholarship may be offered to a current Part II student for use in their Part III and Part IV full-time enrolment in a Bachelor of Engineering (Honours) degree specialising in Civil and Environmental Engineering. Conjoint students are not eligible to apply.
4. The Scholarship is tenable by domestic and international students.
5. The basis of selection will be academic merit, practical knowledge of the application of engineering skills and potential to succeed in the field of Civil and Environmental Engineering. Candidates should have a grade point average (GPA) or grade point equivalent (GPE) of at least 6.00 to be considered for the Scholarship (see Note I)
6. The Scholarship will be awarded by the University of Auckland Council on the recommendation of a selection committee comprising the Dean of the Faculty of Engineering (or nominee), the Head of the Department of Civil and Environmental Engineering (or nominee), the Head of the Department of Civil and Environmental Engineering at the University of Auckland, who intend to develop their career in structural, geotechnical, civil or environmental engineering.
Environmental Engineering (or nominee) and one representative of the Donor.

7. The Scholarship will be paid in two instalments: one in the first, and one in the second semester. To continue to be paid the Scholarship, recipients must have achieved a GPA of at least 6.00 (equivalent to a B+ average) in each semester of study.

8. The Scholarship may not be held concurrently with any other scholarship, award or grant funded by another Engineering Company. It may be held with any other scholarship, award or grant as long as a) the terms of that award or grant permit and b) the University of Auckland Council is informed and approves.

9. The University of Auckland Council, in consultation with the Donor, has the power to terminate or suspend a Scholarship if it receives an unsatisfactory report on the progress of a Scholar from the Head of the Department of Civil and Environmental Engineering.

10. The University of Auckland Council is not obliged to make an award if in any year there is no candidate of sufficient merit.

11. The University of Auckland Council has the power to amend or vary these Regulations, in consultation with the Donor, provided that there is no departure from the main purpose of the Scholarship.

12. Applications close with the Scholarships Office on 20 August in the year preceding the award.

13. Notes [I]-[II] below are deemed to be regulations.

Notes

I. For the purpose of this Scholarship, academic merit is assessed as a Scholarships GPA or GPE obtained over the applicant’s most recent two years of full-time graded study (or equivalent).

II. The recipients of the Scholarship may have the opportunity of summer work experience with Babbage Consultants between Part III and Part IV studies.
