BMedSc(Hons) Vision in Medical Science Prizes

Description

The Prizes were established in 2012 by the Faculty of Medical and Health Sciences from the JJ and CNJ Ophthalmology Futures Fund.

The main purpose of the Prizes is to recognise the top performing students in the oral presentation component of the Bachelor of Medical Sciences (Honours) degree.

Selection process

- Nomination is made to the Scholarships Office
- The Prizes will be awarded by the University of Auckland Council on the recommendation of the Director of the Bachelor of Medical Sciences (Honours) programme

Regulations

1. The Prizes will be known as the BMedSc(Hons) Vision in Medical Science Prizes.
2. The value of the Prizes will be up to $400 in total.
3. Two Prizes will be awarded annually to the two full-time students who achieve the highest marks in the oral presentation component of the Bachelor of Medical Sciences (Honours) degree.
4. The student with the highest mark will be awarded $250 and the student with the second highest mark will be awarded $150 (see Note I).
5. The Prizes will be awarded by the University of Auckland Council on the recommendation of the Director of the Bachelor of Medical Sciences (Honours) programme following consultation with the judging panel of the oral presentation component of the Bachelor of Medical Sciences (Honours) programme.
6. In the event of a tie, the Head of the Department of Ophthalmology will determine if the Prizes may be shared.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prizes.

Notes
I. If in any year three or fewer students are enrolled in the Bachelor of Medical Sciences (Honours) degree, only one prize will be awarded to the student with the highest mark.

II. Regulations are subject to Senate and Council approval.
