## Notes

---

- I. For the purpose of this Scholarship, academic merit is assessed as a Scholarships GPA or GPE obtained over the applicant's most recent two years of full-time graded study (or equivalent).*
- II. Financial need will be determined by a range of factors including current eligibility for a StudyLink Student Allowance, and personal and financial circumstances. Candidates need to demonstrate that they are experiencing financial hardship, and that they are struggling to meet basic living costs. Incurring debt is not evidence of financial hardship.*
