Regulations

1. The Award will be known as the Canterbury Architects' Award.
2. One Award will be made annually, for a period of up to one year, and will be of the value of \$3,000. Recipients may reapply in subsequent years.
3. To be eligible for Award consideration, applicants must be i) resident within the region of the Canterbury Branch of the New Zealand Institute of Architects, ii) a citizen or permanent resident of New Zealand, and iii) enrolled or enrolling in a Bachelor of Architectural Studies (BAS) degree in the School of Architecture and Planning at the University of Auckland in the following year.
4. The basis of selection will be academic merit (see Note I), and the applicant's potential to achieve and commitment to architecture as assessed by the quality of a personal statement.
5. The Award will be made by the University of Auckland Council on the recommendation of the Head of the School of Architecture and Planning (or nominee) in consultation with the President of the Canterbury Branch of the NZIA (or nominee).
6. To be paid the Award, awardees must be enrolled in a BAS.
7. The Award will be paid in one lump sum in Semester One as soon as is practical after confirmation of the awardee's enrolment, that is, after the final date on which a student may add or delete courses without incurring a late enrolment fee.

8. The Award may be held concurrently with any other scholarship, award or grant as long as the regulations for that scholarship, award or grant permit and the University of Auckland Council is informed and approves. It is the responsibility of the awardee to declare to the Scholarships Office all other scholarships, awards or grant funding received and for which the awardee receives payment while also in payment for this Award.
9. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
10. The University of Auckland Council can amend or vary these regulations provided there is no departure from the main purpose of the Award.
11. The University will notify the Canterbury Branch of the Institute of Architects of the awardee each year, and the awardee will be expected to communicate with the Institute.
12. Applications close with the Scholarships Office on 1 November in the year preceding the award.
13. Notes [I]-[III] below are deemed to be regulations.

Notes

- I. For the purpose of this Award, academic merit for students entering Part One is based on results at level two or higher in the National Certificate of Educational Achievement (NCEA) or an equivalent qualification. For students entering Part Two, academic merit is assessed as a Scholarships grade point average (GPA) or grade point equivalent (GPE) obtained over the applicant's first year of full-time graded study. For students entering Part Three, academic merit is assessed as a Scholarships grade point average (GPA) or grade point equivalent (GPE) obtained over the applicant's most recent two years of full-time graded study.*
- II. Payments under the terms of this Award remain tax-free as long as they are used for the payment of costs associated with an awardee's programme of study and to assist the awardee with living costs while studying. Failure to comply with this regulation will result in the termination of the Award.*
- III. Awardees will be required to comply with the regulations for the Award and will notify the Scholarships Office of any change in their enrolment or funding status. The University of Auckland may, in the event that it can be established that an awardee is not complying with these regulations, terminate the Award and require repayment of the funds received.*
