Cecil Segedin Undergraduate Scholarships in Engineering Science

Description

These Scholarships were established in 2007 and are funded by the Cecil Segedin Endowment Fund. These are memorial scholarships in remembrance of Professor Cecil Segedin who began teaching Engineering Mathematics at Ardmore in the 1950s and went on to establish the Department of Engineering Science in 1963.

The main purpose of the scholarships is to assist and encourage students undertaking the Bachelor of Engineering (Honours), majoring in Engineering Science.

Selection process

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- Short-listed candidates may be required to attend an interview
- The Scholarships are awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarships will be known as the Cecil Segedin Undergraduate Scholarships in Engineering Science.
2. Up to two Scholarships will be awarded annually, depending on availability of funds each with a tenure of one year, and each will have the value of $5,000.
3. The Scholarships will be awarded to undergraduate candidates who have paid the fees, or arranged to pay the fees, for full-time enrolment in the Faculty of Engineering undertaking either Part II, III or IV of a Bachelor of Engineering (Honours) in Engineering Science. Part II candidates must have been accepted into the Engineering Science major at the time of application.
4. The Scholarships are tenable by domestic and international students.
5. The basis of selection will be academic achievement, contribution to school and community activities and financial...
The Scholarships will be awarded by the University of Auckland Council upon the recommendation of a Selection Committee comprising the Dean of the Faculty of Engineering (or nominee), the Head of the Department of Engineering Science (or nominee) and one additional member of the academic staff of the Department of Engineering Science (appointed by the Dean).

The Scholarships' emoluments will be paid in one lump sum.

The Scholarships may be concurrently held with any other award or grant as long as a) the terms of that award or grant permit and b) the University of Auckland Council is informed and approves.

The University of Auckland Council is not obliged to make an award if in any year there is no candidate of sufficient merit.

The University of Auckland has the power to amend or vary these Regulations, in consultation with the Cecil Segedin Endowment Fund, provided that there is no departure from the main purpose of the Scholarship.

Applications close with the Scholarships Office on 31 August in the year of the award.

Notes [I]-[II] below are deemed to be regulations.

I. Previous recipients of this scholarship are eligible to apply for this scholarship in their subsequent years of study for a Bachelor of Engineering (Honours) in Engineering Science.

II. In making a recommendation for this scholarship the selection committee shall take into account other scholarships, bursaries and awards held by the candidates, with a view to achieving a fair distribution of monies among qualifying candidates.
