Notes

- II. For students entering their third or subsequent years of an undergraduate programme, academic merit is assessed as a Scholarships GPA or GPE obtained over the applicant's most recent two years of full-time, or equivalent if part-time, graded study. For students enrolled in a DipLang, academic merit will be assessed by the GPA or GPE obtained in the programme that qualifies the applicant for entry to the DipLang. - III. The most recent qualifying programme is defined as the most recently completed programme of study that qualifies the applicant for entry to the postgraduate programme for which they are applying. Where the most recently completed programme is a conjoint programme the GPA/GPE will be calculated over the relevant component of the conjoint degree. The maximum approved exchange or transfer credit that can be excluded from the GPA/GPE calculation for the qualifying programme is 60 points. Where a bridging programme, including a Transitional Certificate, Graduate Diploma or Certificate of Proficiency, is required to qualify the applicant for entry to the postgraduate programme for which they are applying or are currently enrolled, the qualifying programme is the bridging programme and the most recently completed prior programme.*
