Applicable study: Bachelor of Optometry Part V  
Closing date: By nomination  
Tenure: Prize  
For: Prize  
Number on offer: 1  
Offer rate: Annually  
Value: $500

Description

This Prize was established in 2017 and is funded by Mr Chee Seang Loh, an alumnus and Honorary Teaching Fellow in the School of Optometry and Vision Science in the Faculty of Medical and Health Sciences at the University of Auckland.

The main purpose of the Prize is to recognise and reward the student who achieves the highest GPA across three clinical courses in Part V of the Bachelor of Optometry.

Selection process

- Nomination is made to the Scholarships Office
- The Prize is awarded by the University of Auckland Council on the recommendation of the Head of the School of Optometry and Vision Science

Regulations

1. The Prize will be known as the Excellence in Clinical Optometry Prize.
2. The annual value of the Prize will be $500.
3. The Prize will be awarded to the full-time student achieving the highest GPA across three Part V clinical courses in the Bachelor of Optometry (OPTOM 510, OPTOM 520 and OPTOM 560) in the year of the award. In the event of a tie, the prize will be awarded to the student with the highest aggregate mark across OPTOM 510, OPTOM 520 and OPTOM 560 (see Note I).
4. The Scholarship will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Optometry and Vision Science.
5. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
6. The University of Auckland Council is not obliged to make an award if in any year there are not candidates of sufficient merit.
7. Notes [I]-[II] below are deemed to be Regulations.
Notes

I. Students who are repeating OPTOM 510, OPTOM 520 or OPTOM 560 may not be considered for these awards.
II. These regulations are subject to Senate and Council approval.
