Regulations

1. The Scholarship will be known as the Foveran Scholarship.

3. To be eligible for Scholarship consideration, an applicant must be i) a Citizen or Permanent resident of New Zealand, and ii) be enrolled, or intending to enrol, full or part-time in a Postgraduate Diploma or an honours, masters or PhD degree in the discipline area of Theological and Religious Studies at Waipapa Taumata Rau, University of Auckland, or an equivalent postgraduate qualification at another recognised theological institution approved by the Major/Specialisation Leader of Theological and Religious Studies. A grade point average (GPA) or grade point equivalent (GPE) of at least 7.00 (6.50 for Māori and Pacific candidates) in the most recent qualifying programme is required for Scholarship consideration (see Note I to II).
4. The basis of selection will be academic merit as assessed by the grade point average (GPA) or grade point equivalent (GPE) calculated over the most recent qualifying programme (see Notes I to II), financial need and the

nature of the proposed postgraduate study as assessed by a personal statement and the criteria at Note III.

5. The Scholarship will be awarded by the University of Auckland Council on the recommendation of a Selection Committee comprising the Dean of the Faculty of Arts (or nominee), the Deputy Head (Academic) of the School of Humanities (or nominee) and the Major/Specialisation Leader of Theological and Religious Studies (or nominee).

9. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
10. The University of Auckland Council can amend or vary these Regulations, in consultation with the Donor, provided that there is no departure from the main purpose of the Scholarship.

Notes

- I. For the purposes of Postgraduate Diploma, honours or masters study, the most recent qualifying programme is defined as the most recently completed programme of study that qualifies the applicant for entry to the programme for which they are applying or are currently enrolled. Where the qualifying programme is a conjoint programme the GPA/GPE will be calculated over the relevant component of the conjoint programme. The maximum approved exchange or transfer credit that can be excluded from the GPA/GPE calculation for the qualifying programme is 60 points. Where a bridging programme, including a Transitional Certificate, Graduate Diploma or Certificate of Proficiency, is required to qualify the applicant for entry to the postgraduate programme for which they are applying or are currently enrolled, the qualifying programme is the bridging programme and the most recently completed prior programme.*
- II. For the purposes of PhD study, where a qualifying programme is entirely pass/fail, the University may generate a GPA only where the programme consists entirely of a thesis. Where the qualifying programme is an undergraduate honours degree (or equivalent undergraduate degree or integrated undergraduate and postgraduate degree), the GPA/GPE will be calculated over the final two years of fulltime study (or equivalent) in the programme. In all other cases, the GPA/GPE will be calculated over the entirety of the qualifying programme.*
- III. Financial need will be determined by a range of factors including past or current eligibility for a StudyLink Student Allowance and personal and financial circumstances.*
- IV. In making a recommendation for this scholarship the selection committee shall take into account other scholarships, bursaries and awards held by the candidates, with a view to achieving a fair distribution of monies among qualifying candidates.*
- V. Students applying for postgraduate study at Waipapa Taumata Rau, University of Auckland and who are past graduates or current students of Knox Centre for Ministry Leadership, Dunedin or Laidlaw College in Henderson, Auckland are also welcome to apply.*
- VI. Payments under the terms of this Scholarship remain tax-free as long as they are used directly for the payment of costs associated with the awardee's programme of study and/or to assist the awardee with living costs while studying. Failure to comply with this regulation will result in the termination of the Scholarship.*
- VII. Awardees will be required to comply with the regulations for the Scholarship and must notify the Scholarships Office of any change in their enrolment or funding status. Waipapa Taumata Rau, University of Auckland may, in the event*

it can be established that an awardee is not complying with these regulations, terminate the Scholarship and require repayment of the funds received.

VIII. Foveran is the small Scottish village from which the Donor's ancestors migrated to New Zealand early in the 19th century. Subsequently the name was adopted for the family farm in New Zealand.
