### Description

---

The Geology Centennial Awards were established in 1984 to mark the centenary of the teaching of Geology at Auckland University. The Awards will give financial help with geological research-related expenses connected with thesis work by Masters and BSc (Hons) level students.

### Selection process

---

- Nomination is made to the Scholarships Office
- The Awards are awarded by the University of Auckland Council on the recommendation of the Head of the School of Environment.

### Regulations

---

1. The Awards will be known as the Geology Centennial Awards.
2. One Award will be made each year and will be of the value of \$1,200.
3. The Awards are open to students enrolled in geological research programmes and who have paid the fees, or arranged to pay the fees, for full-time enrolment in a Bachelor of Science (Honours) or a Master of Science degree in Earth Science.
4. The basis of selection will be academic merit as assessed by the grade point average (GPA) or grade point equivalent (GPE) calculated over the most recent qualifying programme.
5. The Awards will be made by the University of Auckland Council on the recommendation of the Head of the School of Environment (or nominee).
6. The Award will be paid in one lump sum instalment in the third week of the first semester of enrolment.
7. The Award may be held concurrently with any other award or grant as long as a) the terms of that grant or award permit and b) the University of Auckland is informed and approves.
8. The University of Auckland Council is not obliged to make an award if in any year there are no candidates of sufficient merit.
9. The University of Auckland has the power to amend or vary these Regulations provided that there is no departure from the main purpose of the Award.
