Where the most recently completed programme is a Transitional Certificate, the qualifying programme is the Transitional Certificate and the most recently completed prior degree.

II. Payments under the terms of this Scholarship remain tax-free as long as they are used directly for the payment of costs associated with an awardee’s programme of study and to assist the awardee with living costs while studying. Failure to comply with this regulation will result in the termination of the Scholarship.

III. Recipients of a George McWhirter Memorial Scholarship will be required to give undertaking that they will comply with the regulations for the Scholarship and will notify the Scholarships Office of any change in their enrolment or funding status.
