## Description

---

The Global Public Health Prize was established in 2011 by Emeriti Professors Ruth Bonita Beaglehole and Robert Beaglehole in the Faculty of Medical and Health Sciences.

The main purpose of the Prize is to encourage and recognise students who have obtained excellence in their studies in the field of Global Public Health.

## Selection process

---

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Associate Dean of Research of the Faculty of Medical and Health Sciences

## Regulations

---

1. The Prize will be known as the Global Public Health Prize.
2. The value of the Prize will be \$1,000.
3. The Prize will be awarded annually to the student who has obtained the highest overall marks in POPHLTH 715 (Global Public Health) and either POPHLTH 752 (Special Topic: Case Studies in Global Health) or one other postgraduate course in Public Health as determined each year by the Associate Dean of Research of the Faculty of Medical and Health Sciences in consultation with one academic staff member of the Department of Social and Community Health.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Associate Dean of Research of the Faculty of Medical and Health Sciences in consultation with one academic staff member of the Department of Social and Community Health.
5. In the event of a tie, the Prize will be awarded to the student who has achieved the highest overall mark in POPHLTH 715.
6. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
