## Description

---

This Prize was established in 2017 and is funded by Dr Seyed Ali Mirjalili, a Senior Lecturer in the Faculty of Medical and Health Sciences at the University of Auckland.

The main purpose of the Prize is to encourage and reward the top student in the Head and Neck Anatomy module at Part III level.

## Selection process

---

- Nomination is made to the Scholarships Office
- The Prize is awarded by the University of Auckland Council on the recommendation of the Head of the Department of Anatomy and Medical Imaging

## Regulations

---

1. The Prize will be known as the Head and Neck Anatomy Prize.
2. The Prize will be a copy of Gray's Anatomy (41st Edition).
3. One Prize will be awarded annually to the full-time student achieving the highest mark in the Sensory System (Head and Neck Anatomy) module in MBCHB 321.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Anatomy and Medical Imaging.
5. In the event of a tie, each awardee will be awarded a copy of Gray's Anatomy.
6. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
7. The University of Auckland Council is not obliged to make an award if in any year there are not candidates of sufficient merit.
