KiwiPlan NZ Limited Scholarships

**Description**

The Scholarships were established in 2000 and are financed by Kiwiplan NZ Limited, an IT (Information Technology) company, specialising in computer systems for the paper packaging industry. The main purpose of the Scholarships is to provide support for computer science students in their final year of study.

**Selection process**

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- Short-listed candidates may be required to attend an interview
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee.

**Regulations**

1. The Scholarships will be known as the Kiwiplan NZ Limited Scholarships.
2. The recipients will be chosen in their penultimate year of study (year 2 for a three year degree, or year 3 for a four year degree).
3. Up to three Scholarships will be awarded to full-time students who have enrolled and have paid the fees, or arranged to pay the fees for a Bachelor of Science or Bachelor of Science (Honours) in Computer Science; Bachelor of Commerce or Bachelor of Commerce (Honours) in Information Systems; Bachelor of Engineering or Bachelor of Engineering (Honours) in Software Engineering; or appropriate Bachelor of Technology candidates.
4. The basis of selection will be for students in their penultimate year of study with: (i) academic excellence, assessed by the GPA obtained over their most recent 90 points of study undertaken in Computer Science, Information Systems, Information Technology or Software Engineering courses (ii) study and experience of direct relevance in computer science (iii) excellent communication and interpersonal skills (iv) excellent verbal and written English language skills (v) ability to work as part of a team as well as independently (vi) excellent project management and problem
1. The recipients may be offered summer vacation employment with KiwiPlan NZ Limited (located in Auckland).
