Where the qualifying programme is an undergraduate honours degree (or equivalent undergraduate degree or integrated undergraduate and postgraduate degree), the GPA/GPE will be calculated over the final two-years of full-time study (or equivalent) in the programme. In all other cases, the GPA/GPE will be calculated over the entirety of the qualifying programme.

III. In making a recommendation for this scholarship the selection committee shall take into account other scholarships, bursaries and awards held by the candidates, with a view to achieving a fair distribution of monies among qualifying candidates.

Recipients of a Marie Clay Literacy Trust Research Award will be required to give undertakings that they will comply with the regulations for the Award and will notify the Scholarships Office of any change in their enrolment, employment or funding status.
