Description

The Prize was established in honour and memory of Associate-Professor E M A Bullivant and to encourage research in physiology.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded annually by the University of Auckland Council on the recommendation of the Head of the Department of Physiology

Regulations

1. The Prize will be known as the Mary Bullivant Prize in Physiology.
2. The Prize will be of the value of \$400.
3. The Prize will be awarded annually for distinction in postgraduate studies undertaken by a medical student in the Department of Physiology.
4. If there is no medical student achieving distinction in postgraduate studies in any year, the Prize may be awarded to the student who achieves the best overall grade in a Bachelor of Science (Honours) in Physiology.
5. The Prize will be awarded annually by the University of Auckland Council on the recommendation of the Head of the Department of Physiology.
6. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
7. In the event of a tie, the Head of the Department of Physiology will determine the recipient.
8. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
