<b>Tenure:</b>	Prize
<b>For:</b>	Prize
<b>Number on offer:</b>	1
<b>Offer rate:</b>	Annually
<b>Value:</b>	\$200

## Description

---

The Mathematics Education Technology Prize was established in the year 2003 and is financed from funds donated by members of the Mathematics Education Unit, Texas Instruments and organisers of local mathematics conferences.

The main purpose of the Prize is to recognise each year a student who has made a significant contribution to the understanding of the use of technology in the teaching and/or learning of mathematics.

## Selection process

---

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Mathematics

## Regulations

---

1. The Prize will be known as the Mathematics Education Technology Prize.
2. The value of the Prize will be NZ\$200.
3. The Prize will be awarded annually to a student enrolled in an undergraduate or postgraduate Mathematics or Statistics course who makes the most significant contribution to the understanding of the use of technology in the teaching and/or learning of mathematics.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Mathematics.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Mathematics shall determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these Regulations provided that there is no departure from the main purpose of the Prize.
