Regulations

1. The Prize will be known as the Mervin Walter Stoddart Prize.
2. The Prize will be awarded annually and will be of the value of \$1,200.
3. The Prize will be awarded to the student enrolled in Part II, III or IV of a Bachelor of Engineering (Honours) (BE(Hons)) specialising in Electrical and Electronic Engineering or Computer Systems Engineering who has achieved the highest grade point average (GPA) across all courses undertaken in the year of the award. As a minimum standard the student should have achieved a GPA of 7.00 (equivalent to an A- average).
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Electrical, Computer, and Software Engineering.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. A recipient may be awarded the Prize again in subsequent years.
7. In the event of a tie, the Head of the Department of Electrical, Computer, and Software Engineering shall determine if the Prize may be shared.
8. The University of Auckland has the power to amend or vary these Regulations provided that there is no departure from the main purpose of the Prize.
