The Monier Group Prize differs from the Monier Prizes, which have been awarded since 1972, in that they are awarded when the winning submission is the result of work undertaken by a group of students.

Selection process

- Nomination is made to the Scholarships Office  
- The Prizes will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Architecture and Planning

Regulations

1. There will be up to three Group Prizes known as the Monier Group Prizes.  
2. The value of the Prizes will be $350 (Refer Note I). This prize value will be divided equally across the number of students in each winning group.  
3. The Prizes will be awarded annually to students taking Part III of the degree of Bachelor of Architectural Studies, for designs selected from the studio work of that year that were submitted as a group project involving two or more students.  
4. The Prizes will be awarded by the University of Auckland Council after receiving a recommendation from the Head of the School of Architecture and Planning.  
5. The University of Auckland Council will not be bound to award the Prizes in any year if there are no candidates of sufficient merit.  
6. In the event of a tie, the Head of the School of Architecture and Planning shall determine if the Prizes may be shared.  
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prizes.
