

# New Zealand Aluminium Smelters Masters Prize in Engineering

<b>Code:</b>	P733
<b>Faculty:</b>	Engineering
<b>Applicable study:</b>	ME thesis in the field of Materials and Chemicals Processing research
<b>Closing date:</b>	By nomination
<b>Tenure:</b>	Prize
<b>For:</b>	Prize
<b>Number on offer:</b>	One
<b>Offer rate:</b>	Annually
<b>Value:</b>	\$1,000

## Description

---

The Prize was established in 1999 and is financed by New Zealand Aluminium Smelters Limited.

The main purpose of this Prize is to recognise excellence in the field of Engineering at masters level at the University of Auckland.

## Selection process

---

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Chemical and Materials Engineering

## Regulations

---

1. The Prize will be known as the New Zealand Aluminium Smelters Masters Prize in Engineering.
2. The value of the Prize will be \$1,000.
3. One Prize will be awarded annually to a full-time student at the University of Auckland who has achieved the highest mark in their Master of Engineering (ME) thesis in the field of Materials and Chemicals Processing research. As a minimum standard, the student must have received at least an A- grade.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Chemical and Materials Engineering.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Chemical and Materials Engineering shall determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
