<b>Offer rate:</b>	Annually
<b>Value:</b>	\$250

## Description

---

The Prize was established in 1990 by the New Zealand Solar Action Group to encourage excellence in the study of the efficient use of solar energy.

## Selection process

---

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Architecture and Planning

## Regulations

---

1. The Prize will be known as the New Zealand Solar Action Prize.
2. The value of the Prize will be \$250, which is expected to be spent on books of scholarly interest.
3. The Prize will be awarded annually to the student completing the most outstanding work in any course or courses concerned with energy-efficient design, or energy, studied for Part I or Part II of the degree of Master of Architecture (Professional).
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Architecture and Planning.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Architecture and Planning will determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
