Norman Thom Prize for Environmental Management

Description

The Prize was established in 1995 and is financed from the investment funds which were made available by Norman Thom for this purpose.

The main purpose of the Prize is to recognise the best overall performance each year by a student pursuing a postgraduate programme in Environmental Management in the School of Environment.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Prize will be known as the Norman Thom Prize for Environmental Management.
2. The value of the Prize will be $600.
3. The Prize will be awarded annually to a candidate who is a full-time student achieving the best grades in the Postgraduate Diploma in Environmental Management.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of a Selection Committee consisting of the Head of the School of Environment (or nominee) and the Dean of Science (or nominee).
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of the Postgraduate Diploma in Environmental Management not being available the Prize may be awarded to the equivalent student in any other postgraduate programme in environmental management offered by the School of Environment.
7. In the event of a tie, the Head of the Department of Environment will determine if the Prize may be shared.
8. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
