

Phillip Graham Crabbe Memorial Prize

Code:	P749
Faculty:	Engineering
Applicable study:	Final Year Research Project in Materials Engineering of the BE(Hons) degree
Closing date:	By nomination
Tenure:	Prize
For:	Prize
Number on offer:	One
Offer rate:	Annually
Value:	\$350

Description

The Prize was established in 1983 by the wife and parents of Phillip Graham Crabbe together with contributions from family, friends and colleagues. Dr Crabbe, a lecturer in and outstanding former student of the Department of Chemical and Materials Engineering, was killed in a car accident in 1982 at the age of 29. This Prize commemorates his pursuit of excellence in the field of Chemical Engineering.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Chemical and Materials Engineering

Regulations

1. The Prize will be known as the Phillip Graham Crabbe Memorial Prize.
2. The value of the Prize will be \$350.
3. The Prize will be awarded annually for the most meritorious project work in Chemical Engineering in the Final Year Research Project in Materials Engineering of the Bachelor of Engineering (Honours) degree.
4. The Prize will be awarded by the University of Auckland Council upon receiving the recommendation of the Head of the Department of Chemical and Materials Engineering.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Chemical and Materials Engineering shall determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
