Where the most recently completed programme is a Transitional Certificate, the qualifying programme is the Transitional Certificate and the most recently completed prior degree.

II. For PhD study, where the qualifying programme is an undergraduate honours degree (or equivalent undergraduate degree or integrated undergraduate and postgraduate degree), the GPA/GPE will be calculated over the final two years of full-time study (or equivalent) in the programme. In all other cases, the GPA/GPE will be calculated over the entirety of the programme.
