<b>Tenure:</b>	Prize
<b>For:</b>	Prize
<b>Number on offer:</b>	One
<b>Offer rate:</b>	Annually
<b>Value:</b>	\$1,000

### Description

---

The SCNZ Structural Steel Prize was established in 2009 by Steel Construction New Zealand Inc.

The main purpose of the Prize is to encourage excellence in the design and specification of steel structures.

### Selection process

---

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Civil and Environmental Engineering

### Regulations

---

1. The Prize will be known as the SCNZ Structural Steel Prize.
2. The value of the Prize will be \$1000.
3. The Prize will be awarded annually to the full-time student achieving the highest mark in the structural steel design assignments for CIVIL 713.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Civil and Environmental Engineering.
5. In the event of a tie, the Head of the Department of Civil and Environmental Engineering shall determine, in consultation with Steel Construction New Zealand Inc., if the Prize may be shared.
6. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
