Description

The Siphala Foundation Stage II Chemistry Prizes were established in 2010 by the Siphala Foundation. The Siphala Foundation is a charitable trust which supports the education of young people in Sri Lanka and New Zealand.

The main purpose of the Prizes is to recognise and reward the students who have excelled in core Stage II Chemistry courses.

Selection process

- Nomination is made to the Scholarships Office
- The Prizes will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Chemistry

Regulations

1. The Prizes will be known as the Siphala Foundation Stage II Chemistry Prizes.
2. The value of the Prizes will be \$250 each.
3. The Prizes will be awarded annually to the students achieving the highest overall marks in each of the following courses: CHEM 210, CHEM 220, CHEM 230 and CHEM 240.
4. The Prizes will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Chemistry.
5. In the event of a tie, the Head of the Department of Chemistry shall determine, in consultation with the relevant Course Coordinator, if a Prize may be shared.
6. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
