Stantec Prize in Traffic Engineering

Description

This Prize was established in 1999 by Stantec (formerly known as TDG Ltd) to recognise excellence in the field of traffic engineering.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Civil and Environmental Engineering

Regulations

1. The Prize will be known as the Stantec Prize in Traffic Engineering.
2. The value of the Prize will be $1,000.
3. The Prize will be awarded annually to the student who achieved the highest mark in CIVIL 758 Traffic Systems Design in a Bachelor of Engineering (Honours) degree. The student must have achieved at least an A- grade.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Civil and Environmental Engineering (or nominee).
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Civil and Environmental Engineering shall determine, in consultation with Stantec if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these regulations, in consultation with the Stantec provided that there is no departure from the main purpose of the Prize.
