The ‘Strive towards Science Award’ was established in 2015 and is funded by Vivvek Gargi.

The main purpose of the Award is to support an undergraduate student undertaking Stage II of a Bachelor of Science at the University of Auckland who demonstrates academic ability and the potential to contribute to their chosen field.

Selection process

- Nomination is made to the Scholarships Office
- The Award will be awarded by the University of Auckland Council upon the recommendation of the Dean of Science

Regulations

1. The Award will be known as the ‘Strive towards Science Award’.
2. The Award will be of the value of up to $1,000.
3. One Award will be made annually to the full-time student achieving the highest marks across their best three Stage II science courses in their majoring subject and who in the opinion of the Faculty of Science, demonstrates the greatest potential to contribute to their chosen field.
4. The Award will be awarded by the University of Auckland Council upon the recommendation of the Dean of Science.
5. In the event of a tie, the Dean of Science will determine if the Award may be shared.
6. The University of Auckland Council has the power to amend or vary these regulations, in consultation with the donor, provided that there is no departure from the main purpose of the Award.

Notes

1. The Faculty of Science will be required to provide a brief outline of its selection process to the Scholarships Office.
