The University of Auckland Faculty of Engineering
Undergraduate Scholarships

Description

The Faculty of Engineering offers up to five Undergraduate Engineering Scholarships annually.

Selection process

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarships will be known as the University of Auckland Faculty of Engineering Undergraduate Scholarships.
2. The five annual Scholarships will have the value of $1,000 each, or such sum as the Faculty may determine from time to time.
3. The Scholarships will be awarded to five students who have demonstrated academic merit, potential to achieve and commitment to Engineering. Only students entering Part I will be eligible.
4. The Scholarships will be awarded each year by the University of Auckland Council on the recommendation of a Selection Committee consisting of the Dean of the Faculty of Engineering (or nominee), and the Associate Dean (Undergraduate) of the Faculty of Engineering (or nominee).
5. Applications close with the Scholarships Office on 30 April in the year of the award.
