University of Auckland Kōkiri Raumati Scholarship

**Description**

The Scholarship was established in 2020 and is funded by Waipapa Taumata Rau, University of Auckland.

The main purpose of the Scholarship is to financially support students from outside the Auckland area, and students from within the Auckland area where the travelling time and/or distance is determined to be disproportionately disadvantageous to the student, who are attending university for the first time, having left secondary school or kura in the previous two years. This approach reflects the University’s strategic recruitment goal to provide equal opportunities to all who have the potential to succeed in a university of high international standing.

**Selection process**

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee
