The provision of University accommodation is designed to provide the best student experience and promote excellent academic outcomes.

Selection process

- Application is made to the Scholarships Office
- A Review Committee assesses the applications
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Review Committee

Regulations

1. The Scholarship will be known as the University of Auckland Māori Academic Excellence Scholarship.
2. Up to 25 Scholarships will be awarded annually, each for the first three years of the scholar's undergraduate degree, or at the discretion of the Review Committee, for the Certificate of Health Sciences year plus the first two years of an undergraduate programme, and will be of a maximum value of \$20,000 each.
3. The Scholarship will cover the full cost of the first year of catered accommodation in a standard room in a University of Auckland Hall of Residence. This cost will be paid directly to the relevant Halls of Residence (see Notes I-III). The balance of the award will be paid, in years two and three as lump sums in Week 3 of Semesters 1 and 2.
4. The Scholarship will be offered to top New Zealand Māori students who are citizens or permanent residents of New Zealand, currently in their final year of study at a New Zealand secondary school and intending to enrol full-time in an

undergraduate degree or a Certificate of Health Sciences followed by an undergraduate degree at the University of Auckland in the following year. Applications may also be considered from students who have studied at least until the end of Year 11 at a New Zealand secondary school and who, at the time of application are studying overseas in either an NCEA, IB or CIE programme, or who have completed an NCEA, IB or CIE programme within the year of application (see Notes IV and VI).

5. The initial basis of selection will be excellent academic ability based on results of their previous year's study at Level 2 or higher in the National Certificate of Educational Achievement (NCEA) or an equivalent qualification. Other selection criteria include cultural participation in Māori contexts, demonstrated leadership potential, achievement in academic, sports or arts competitions, recognition within the community, motivation to attend and likelihood to succeed at a research-led University. Applicants' level of preparedness for university study will also be assessed by considering their performance to date in subjects relevant to their intended degree. The personal circumstances of candidates will also be taken into consideration including: demonstrated financial need, the decile of the most recent secondary school attended, if the applicant is the first in their family to attend university, if the applicant comes from a refugee background, if the student has a disability, and if the applicant resides in a rural area (see Notes V to VII).
6. To go into payment of the Scholarship, the awardee must gain admission to the University of Auckland with at least an NCEA rank score of 240, a CIE rank score of 300 or an IB score of 32; these rank scores are equivalent to a University of Auckland grade point equivalent (GPE) of 5.00.
7. As a condition of tenure, recipients will be required to undertake full-time study for a degree at the University of Auckland, or the Certificate of Health Sciences followed by degree level study, and achieve a passing grade in all courses in each semester of study (see Notes VIII to XIII).
8. The Scholarship will be awarded by the University of Auckland Council on the recommendation of a Review Committee comprising the Pro Vice-Chancellor (Equity) (or nominee), the Pro-Vice Chancellor (Māori) (or nominee), Director of the Schools Partnership Office (or nominee) and an Academic staff representative nominated by the Deputy Vice-Chancellor (Academic). In addition, all awarding recommendations will be endorsed by the Entry Level Review Committee.
9. The starting date for Scholarship funding will be Semester 1 or Semester 2, in accordance with the recipient's enrolment, in the year immediately following the final year of secondary study (see Notes VIII to XIII).
10. Awardees who are directed to enrol in a Tertiary Foundation Certificate or a Certificate in Health Sciences prior to enrolling in an undergraduate degree may be eligible for consideration to hold the Scholarship on a case-by-case basis at the time of uptake.
11. A University of Auckland Māori Academic Excellence Scholarship may not be held concurrently with a University of Auckland Top Achiever Scholarship, a University of Auckland Pacific Academic Excellence Scholarship or a University of Auckland Academic Potential Scholarship. However, it may be held with any other scholarship, award or grant where the regulations for that scholarship, award or grant permit and where the University of Auckland Council is informed and so approves. It is the responsibility of the recipient to declare to the Scholarships Office all other scholarships, awards or grant funding received and for which the awardee receives payment while also in payment for this Scholarship.
12. The University of Auckland Council is not obliged to make the full number of awards if in any year there are not candidates of sufficient merit.
13. The University of Auckland has power to amend or vary these regulations provided that there is no departure from the main purpose of the Scholarship.
14. Applications close with the Scholarships Office on 2 September in the year preceding the award.
