INTRODUCTION

Reborn in 2015, the New Zealand Alumni Association (Kiwi Alumni Korea) is an organisation established to create support networks for its members. Members are people who studied in New Zealand and have a passion for the Korea/New Zealand friendship.

It also actively works with associated companies, organisations, and individuals with an interest in fostering this relationship by enabling them to promote shared interests in either country.

WHY I LOVE NZ
The green grass, the blue sky, the long conversations at the supermarket checkout and the cheap beers at the local bowls club.

CASEY CHO
Marketing Coordinator at Le Marrocino
EDUCATION in NZ
- Wilford School
WHY I LOVE NZ
Kiwis are the friendliest people in the world! NZ is famous for its spectacular scenery and landscape, but without the people it would be worthless. Also, I am fond of New Zealand wine. Great people and great wine. What a great combination!
