

FOR ALUMNI AND FRIENDS OF THE UNIVERSITY OF AUCKLAND

THE UNIVERSITY OF AUCKLAND
NEW ZEALAND

Dear alumni and friends,

Over the coming month alumni and friends will have the opportunity to hear an array of stimulating speakers, as the **Distinguished Speaker Series '07** continues and a series of **public lectures** begins, featuring some notable names such as Professor **Lord Robert Winston**. Not only do these events provide food for thought on a variety of subjects, but they open the door to networking and the rekindling of friendships. We invite you to check the dates in this newsletter and mark your calendars now!

If you're interested in pursuing further studies, or if you know someone else who might benefit from hearing about the many courses the University offers, make sure you find out about the upcoming **Courses and Careers Day**.
