Dear alumni and friends,

This month we would like to extend our warmest congratulations to over 5,900 of our students, who are about to graduate from the University with more than 6,500 qualifications. We hope you will join us in celebrating their achievements and welcome them to our alumni community, both at home and abroad.

Over the next few weeks, we’d like to remind you about our Alumni & Friends events in Los Angeles, New York, and London, and to attend the annual Graduation concert. Opportunities also exist to hear the public lecture and view the exhibition by the Hood Fellow for the National Institute of Creative Arts and Industries, and to nominate fellow alumni for the 2008 Distinguished Alumni Awards.
