Kea New Zealand to find missing overseas voters

New Zealanders living overseas have been vastly under-represented as voters in past General Elections - and so Kea New Zealand has launched a global campaign to encourage them to vote in this year's election.

New Zealand citizens can vote from anywhere in the world if they have visited New Zealand within the previous three years. If you fall into this category, we would encourage you to check your eligibility and enrol online.

We urgently need more host families to help. If you are at all interested and want to find out more please call Judith Grey on 09 373 7599 ext 82309 or email society@auckland.ac.nz.
