

COPYRIGHTS
RESEARCH IN ANTHROPOLOGY AND LINGUISTICS

Published by Department of Anthropology
University of Auckland

The RAL Committee asks that all authors sign the following agreement:

The RAL Committee affirms that the author of a contribution to RAL holds copyright to that work, but in consideration of publishing the work requires that:

(1) The author accepts RAL's right to keep in print the publication of which the author's contribution is a part, or to authorise the reprinting of that contribution as a separate item.

(2) RAL accepts that the author may, without consultation, agree to the reprinting of the work in collections, symposia, anthologies, or periodicals provided that acknowledgement is given that the work first appeared in Research in Anthropology and Linguistics.

(3) Further, it is the responsibility of the author(s) to seek permission for republication of any images that are copyrighted and signing this document constitutes agreement with these conditions on the part of the author(s).

Would you please sign this agreement with respect to your contribution.
